PROFILE

- Developed cybersecurity skills through red-team blue-team exercises with Liberty University's Cyber Defense Club
- Competed in CTF competitions and practiced network penetration skills through platforms like Hack The Box
- Designed and assembled a network of 12 blade computers into a high-performance computer using open source tools
- Mentored and trained 4 college students through group and one-on-one meetings

EDUCATION

B.S. in Computer Science, Honors Program, Liberty University, Lynchburg, VA **08/18-05/22**

Minor: Mathematics — **Cognates:** Cybersecurity and Software Engineering

- Departmental GPA: 4.0 — Cumulative GPA: 3.8

High School Dual Enrollment, Bucks County Community College, Newtown, PA **08/16-05/18**

- GPA: 3.94

RELEVANT COURSEWORK

- Completed courses on Computer Science Basics, Advanced Programming, Discrete Mathematics, Human-Computer Interaction, Algorithms, Information Security, Calculus with MATLAB, Technical Communication, and Data Structures

SKILLS

- C++, Arch Linux, Kali Linux, Git, Python, Java, Bash, Penetration Testing, Object-Oriented Programming

EXPERIENCE

Member of Cyber Defense Club **09/18-Present**

- Tested real-world cybersecurity skills on various computers and networks
- Competed in red-team blue-team exercises and CTF events
- Practiced network penetration through platforms like Hack The Box
- Analyzed and scanned networks using tools like nmap, nc, and openssl
- Learned and employed Kali Linux and its packaged software

Network Architect for High Performance Computing Club **09/19-Present**

- Designed and built a network of 12 blade computers into a high performance computer using open source tools
- Set up and assembled computer's hardware, connections, and physical layout

Community Group Leader at Liberty University **08/19-Present**

- Lead weekly mentorship and small group program for four college students

Lifeguard, Office Worker and Swim Instructor at Warrington Mary Barness **06/14-Present**

- Swim Club and Cornerstone Health & Fitness
- Utilized customer service and management skills in office and three pools
